

# Welcome

## Dr. Stephanie Mastrotta DMD

Dr. Debra Daren is excited to welcome Dr. Stephanie Mastrotta to our exceptional team of clinicians at Daren Dental Family Dentistry.

Dr. Stephanie Mastrotta began her professional journey at Villanova University where she realized that dentistry was the perfect combination of art and science. Graduating with her Bachelor's in Science in 1983, Dr. Mastrotta went on to complete her Doctor of Dental Medicine at the University of Pennsylvania School of Dental Medicine and began practicing dentistry immediately following graduation in 1987. Dr. Mastrotta grew up in Long Island, New York, and has spent many summers in Stonington, CT sailing and visiting her son who was stationed at the Naval Base in Groton.

Ironically her son recruited her and in 2011 Dr. Mastrotta joined the United States Naval Reserve as a Lieutenant. With a desire to help those in need, she served on a mission trip to Africa in 2013 with the Marine Corp 14th Dental Battalion. During her time in Africa, she provided dental care to underprivileged residents of Agadir, Morocco, and was featured in the Continental Marine Magazine for her service. Leading up to her time in the Navy, she also served as a Clinical Instructor for the Aesthetic Advantage courses at the New York University School of Dentistry.

Dr. Mastrotta's desire for providing patients with the most up-to-date techniques in dentistry has led her to pursue advanced training in the areas of cosmetic dentistry, esthetic dentistry, oral-systemic health, and state-of-the-art implant restoration solutions. Dr. Mastrotta specializes in restoring dental implants and natural teeth, root canals, veneers, full mouth rehabilitation solutions, advanced cosmetic dentistry, and clear aligner therapy. She also belongs to many professional dental associations including the American Dental Association (ADA), International Association of Orthodontics (AIO), and the American Academy of Facial Esthetics.

Beginning on November 7, 2022, Dr. Mastrotta will be joining our team. We look forward to introducing you to Dr. Mastrotta who shares our passion for quality and compassionate dentistry!
